MALVERN ITEMS: 1870-2006

AND

A CENTURY IN MALVERN (1889-1989)

(REPRINT EDITION)

Happily it didn't take long for the initial printing of *A Century in Malvern* in 1990 to be sold out. Based on numerous requests for copies, the Malvern Historical Commission (MHC) decided to publish a reprint in 2007.

Other than a change from the simple maroon-colored, hardbound cover to a more colorful softbound binding, it is just that, a reprint. The MHC recognizes and apologizes for the fact that there may be errors in the 1989 book.

The companion book, *Malvern Items: 1870-2006* by Nancy B. Schmitt, expands on issues in the 1989 book and presents new material researched since then. The 2006 book also includes three maps to make up for their inadvertent omission in the 1989 history.
