2. PUBLIC FORUM:

Council President informed all present that copies of the agenda are available at the front desk. This is a Public Session of Council. Should any citizen/taxpayer wish to offer comments on any item on the agenda, now is the time to bring those comments before Council. Are there any citizens/taxpayers who wish to bring before Council any item not on the agenda?

- a. John Buckley, 165 Church Street, asked that the One-Way sign at the end of Church Street be removed from in front of his home. He also asked if Council can say why they are meeting in Executive Session.

- b. Rachel Watkins, Alabama, introduced Kate and Sarah from Penburg, a Citizens Sponsored Organization that serves all of Pennsylvania but works out of Philadelphia. Ms. Watkins explained that they were attending tonight to talk about their transit campaign. They are trying to get the local community involved in their campaign and in the upcoming legislative term to push better public transit in Philadelphia and surrounding areas. They want to focus on fixing roads and bridges rather than building new ones. They have been getting public comment cards signed by Borough Councils and Supervisors and are seeking endorsements for their campaign. Transit is a human issue so it is important no matter where you are working on the campaign. They have asked that council support, execute and fax back the letter of support to them.
