  - B. Barb R brought in a card advertising the new house at King and Griffith for our files.

- III. Approve Minutes from the February 11, 2020 meeting.
  - A. Cathy motions to approve the minutes with amendments; Ian seconds. Motion carries.
- IV. Reports
  - A. Committee Reports
    1. History Center Committee
      - a) David Thal of The Wood Shop repaired the door to our display cabinet in the hallway. He originally cited a cost of under \$100; he's rescinded that as he likes to help out local Historical Commissions and has waived any fee.
      - b) We could clean the rest of the case ourselves, and to use Lynne's wood marking pens as necessary.
      - c) Discussion about what to put in the now-empty display. We agree that truly priceless items are best not to go in this case.
    2. Historic Ordinance Committee
      - a) Lynne will reach back out to Chris Bashore again.
    3. Preservation Awards Committee
      - a) Barb R nominates a house whose owner has reached out to us for any information we have. She has researched it and it looks like a good fit, even if it's not a walkable location. Potentially a pre-incorporation house. Kel can potentially check this with the overhead photos from the 20th century.
