V. Old Business

A. Parade Update

- a. 23 people from the various borough volunteer groups marching/riding
- b. We should do this every year!

B. New Map update

- a. \$440 for 50 maps of the new one, including \$29 for a setup fee (a DVD of the image). We agreed this price is not cost-prohibitive; please proceed.

VI. Old Business

A. Solar panels

- a. If a house is on the HO, can the owners add solar panels to the roof?
- b. Lynne was stopped by someone at Home Depot from Tesla
- c. It was determined that yes, as long as we can take photos before the solar panels are installed (per HO)

B. Pourhouse mug

- a. Rena Huntsman of 264 Mine St approached us at Malvern Blooms and told us she had a Pourhouse mug to donate to us, which she brought to Borough Hall and we now have. The Pourhouse was a coffeehouse next to Malvern Pizza in the late 1990s/early 2000s.
