| <i>Next meeting:</i> | September 20, 2021 @ 5:00PM |

Old Business

King Street Tree Planting Project

Dan Daley, P.E. discussed the following:

- scheduling meeting with property owners on King Street
- Bidding criteria
- Option of Borough purchasing trees to offset cost

He will be following up with Tony Dufour to obtain a timeline schedule.

Plant Material List/Street Trees

STC will update list this fall into winter.

Tree Replacements on 24-26 Monument

STC will recommend 2 London Plane or White Swamp Oak for Monument Ave and 2 Katsura's trees for Powelton Ave.

Tree Replacements on 201 Monument

7 bare root trees will be planted. Several species were reviewed and information will be discussed with owner of property.

PECO Substation- beautification project

Tiffany Loomis will follow up with Tony Dufour for design and proposal. Approval process to follow.

Little Garden Club - Tree installation at Borough Hall

Red Bud will be installed in fall by Public Works.

New Business

Shade Tree Commission Site Visits

Ongoing. Discussed at meeting and enter sites in STC list of tree replacement and follow up.

Paoli Battlefield buffer Zone

Tiffany Loomis will contact Ms. Wendy McLean, Esq. for follow up. STC will order bare root trees for planting in this area.

Quann Park

STC will review plan for tree species. A rain garden is planned for this site and tree installation area is dependent on review of new plans

Fall bare root tree program

Discussed list and species of trees offered by PH. Re-order of t-shirts for residents planting a tree in Fall.

Permit(s) received for tree removal

A permit for tree removal (several pines) was submitted by owner of 337 E. Broad St.
