FOR IMMEDIATE RELEASE

Thursday, September 2, 2010

For more information, call 610-273-3771 ext. 226
Nancy J. Fromnick, County Recycling Coordinator

MATTRESS RECYCLING

That old mattress that gives you back pain can also be a pain to manage as waste. You can now have your mattress and/or box spring recycled by delivering them to the Chester County Solid Waste Authority Lanchester Landfill. For a small charge of \$20 per mattress or box spring, you will know that your old mattress and/or box spring will be processed and not land filled. Today's mattresses are manufactured using a wide assortment of materials. All kinds of mattresses and box springs are accepted *as long as they are dry.* Wet or frozen mattresses will not be accepted.

For more information call 610-273-3771. Please visit www.chestercountyswa.org for all your recycling inquiries.
