

# RECYCLING

Residential properties, commercial establishments, industrial facilities, schools, churches, and restaurants in the Borough of Malvern are **REQUIRED** to recycle.

The Borough has made it relatively painless, with our single stream recycling, for you to comply with the law and to recycle. With single stream, **EVERYTHING** that is recyclable can be placed in the same container.

Not sure if an item can be recycled? Check the bottom of the container. If the recycle symbol

contains the numbers 1, 2, 3, 4, 5, 6 or 7, it **CAN** be recycled!! Just throw it in the recycle bin along with all of your other recyclables

It can't get any easier than that!!

**RECYCLE – IT'S OUR LAW !!!**
