Nancy Fromnick, Chester County Recycling Coordinator

**NEW** - Vinyl Siding Recycling

Residents and small jobbers, who are replacing vinyl siding and would normally dispose of it at the Chester County Solid Waste Authority Lanchester Landfill, can now save money and recycle that vinyl siding at the same time. Residents may unload their vinyl siding, at the small load facility drop-off for a small fee of \$7.00 per load. No wood or trash will be accepted. For more information call 610-273-3771. For information on other recycling opportunities at the Chester County Solid Waste Authority, visit [www.chestercountyswa.org](http://www.chestercountyswa.org).
