News from Borough Council

The winter of 2018 -2019 has passed and now we turn the page to spring. We would like to commend the members of the Public Works Department for the fine job they did this winter.

The Borough was recently notified that we have been awarded a grant in the amount of \$10,000 from PECO through their Green Region Grant program. This program awards grants for south-eastern Pennsylvania municipal efforts to preserve, protect, and improve open spaces. As part of this effort, the Borough submitted an application to develop a master plan for the Randolph Woods Nature Preserve, located in the eastern portion of the Borough off of Ruthland Avenue. In 2017, Borough Council commissioned an ad hoc committee to review the property and make recommendations on improvements, one of which was the development of a master plan. This 43 acre natural preserve is an immensely valuable open space and passive recreation area for the Borough, as well as home to the head waters of Crum Creek. We would like to thank PECO for recognizing this effort by awarding these funds and we look forward to completing this project.

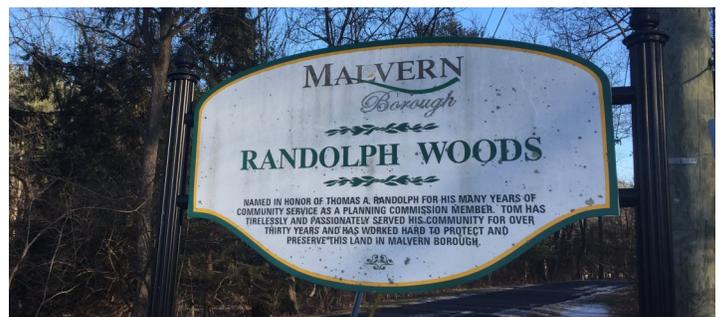

Borough Council is pleased to welcome two (2) new members to our boards and committees.

Michael Panuschka was appointed on February 19, 2019 to fill an unexpired term on the Parks & Recreation Committee and Aaron Abel was appointed on March 5, 2019 as an alternate member to the Zoning Hearing Board. We thank both Mr. Panuschka and Mr. Abel for volunteering to serve on these boards and committees with the Borough and are appreciative of all the time and effort of all our volunteers.

As we look towards the warmer months, the Borough is busy outlining various projects for the remainder of the year. Scheduling for paving projects is underway. The 2019 budget includes paving a section of Green Street and a section of King Street, as well certain upgrades to our existing parking areas in the Borough. Additionally, the Borough was also recently notified by the PA Department of Transportation that the pedestrian signals on E. King Street were approved. These will be installed at the intersections with Ruthland Avenue and

Church Street in the vicinity of East Side Flats. These were recommended as part of the *Malvern Borough-wide Multimodal Transportation Study* adopted in September 2018. Please watch the Borough website for additional information on these upcoming projects.

Borough Council consists of Jamie Grossman (Council President), Zeyn Uzman (Vice-President), Amy Finkbiner, PhD, Marty Laney, John Meisel, Julie Raynor, and Carroll Sinquett. Meetings of Borough Council are held at 7:30 pm on the first and third Tuesday of each month at Borough Hall. All are welcome and encouraged to attend. As always, if you have any questions about anything going on in town, contact any member of Borough Council, the Mayor, or the Borough Manager. Information is updated regularly on the Borough website at www.malvern.org and emergency notifications are sent through the ReadyNotify system.

Codes Enforcement Officer

Hedges, Bushes, Trees; Sidewalks, Walkways and Streets

As the hedges, bushes and flowers grow along the sidewalk of your property; please make sure that they don't obstruct the sidewalk. This makes it difficult, not to mention dangerous, for pedestrians using the sidewalks. In light of Malvern Borough's size, many people, residents and visitors alike, use the sidewalks to get around. All vegetation along sidewalks must be trimmed back just behind the paved area. In addition, where vegetation is planted near road intersections, keep them trimmed back so they're not a sight hazard to motorists attempting to go through those inter-

sections.

If you have trees that hang over the sidewalk and road, they must be trimmed up so that there is at least eight feet from the sidewalk to the bottom of the branches and at least thirteen feet from the street to the lowest branches.

While clearing back the hedges and bushes from your sidewalks and walkways, be sure to have a look at the walkway and sidewalk blocks. If they've been lifted up by trees or frost heave during the winter and there is a half inch or greater difference between blocks, they should be repaired or replaced to eliminate potential trip hazards between the blocks.

The **2003 International Property Maintenance Code**, as well as the **The Code of the Borough of Malvern**, requires that exterior property areas be kept clean and "free from hazardous conditions." All residents and businesses that have hedges, bushes and trees along sidewalks and streets must help keep them safe by ensuring that the sidewalks and streets are not obstructed and that there are no trip hazards in the sidewalks.

Malvern Public Library

The library is pleased to announce our new monthly email newsletter! Visit our website and opt into our electronic communication. We'll keep you informed of the latest news and events from the library.

Our spring book sale is from Thursday, May 30 to Saturday, June 1. Drop by during library hours to stock up on great summer reads. We'll have a bag sale on Saturday: \$5 to fill one of our bags.

Be on the lookout for our upcoming summer reading program: now for adults too! Adults, teens, and children can sign up for summer reading beginning June 11. We will have a GoWiilMa kickoff to summer party at Greentree Park on June 11 from 5:30 – 7:30 PM. Get outside and get reading!

The spring storytime session runs until May 23. Register online for various times for babies, toddlers, and preschoolers. The summer session will begin in June. Stay tuned or check our website for dates and times. This spring, Miss Kelly will also host a special storytime at the new East Goshen Township playground. The sto-

rytime will run for four weeks, from April 23 to May 14, at 10:00 AM, by the Little Free Library and boulders. In case of rain, the playground storytime will be cancelled. We hope to see you there.

Missed our last program? We will have another Medicare information session on May 21 at 6:00 PM. Other upcoming adult programs include our knitting group,

book club, essential oils, and more. Check our calendar for more information.

An author is visiting Malvern Library! Join us for a special event with Natascha Biebow, author of the new children's book, *The Crayon Man*, on May 6 at 4:30 PM. Listen to a reading of *The Crayon Man*, learn about the book and her journey as a writer, and ask questions. Books will be available for

purchase (cash/checks only, please) and the author will sign all purchased copies. This program is best for children ages 4-9 and their grown-ups. Younger and older siblings are welcome!

Traveling this summer? Check out one of our mobile hotspots, or download the Libby and RBDigital apps to get ebooks and audiobooks to your phones and devices. We're here to help with any technical problems you may have.

Thank you to all who donated during our annual Give-a-thon! We appreciate all of our library supporters, and thank them for their yearly patronage to ensure the continued success of the library's programs and services. The main drive of Give-a-thon may be over, but the Give-a-thon is all year so please consider donating to your library.

We have many other regular and one time programs this spring and summer. Make sure to sign up for our newsletter, follow us on social media, and visit our website to stay in the know!

Surrey Services for Seniors

Surrey Services for Seniors is offering programs, exercise, activities and meals at a new location, the United Church of Christ, 1201 N. Chester Road, West Chester. East Goshen will join Surrey's four existing locations in Devon, Broomall, Havertown and Media and offer engaging programs on Tuesdays and Thursdays.

"Surrey is always looking

for ways to serve our members better. We knew that a number of our members live in East Goshen and thought this would be a great opportunity for them to have a center right in their neighborhood," said Bob Madonna, Surrey President and CEO.

"We are pleased to welcome Surrey's programs and activities to United Church of Christ. Sur-

rey's mission and its holistic approach complement our Church's philosophy and enhance our community outreach," says The Rev. Angelee Benner-Smith, Pastor.

For more information, contact Barb at 610-389-1124 or visit <https://surreyservices.org/locations/east-goshen>

Malvern Fire Company

Some notable milestones hit in the first quarter of 2019. We managed to balance the budget while increasing staffing to cover the community during busy hours of the weekend and during the week. We continue to recruit new members for Fire and EMS Operations and Administrative Positions. If you're interested in joining go the website at www.malvernfireco.com and fill out an application.

The Annual EMS Fund Drive is out, don't forget fill it out and send it in. We received a Grant from Firehouse Subs for replacement of the AED's on the fire apparatus. We also received a Health and Wellness Grant for all members.

The company responded to 57 fire calls and 548 EMS calls for the quarter. Renehan Building Group has given the Fire Company a house to train in. We trained on the following skills: Search and Rescue, Hose Line Advancement,

and Engine and Ladder Operation, thank you goes out to Jim and his group. We will be finishing up with multiple company operation in the month of April.

The Explorer Post added 3 new members so far this year and are looking for more. The Post Car Wash is schedule for April 27th, so come to the Fire House and have your car washed for a good cause. They are also planning a kayaking day trip on May 18th.

Activities planned for the Fire Company for this year so far are:

- 5/11/2019: Boot Day
- 6/1/2019: FD vs PD Soccer Tournament
- 6/17/2019: Fire Company 13th Annual Golf Tournament at Chester Valley Golf Club
- 7/9-7/13: Annual Fire Company Fair

For information please contact Jim Rapp at 610-647-0693

Projects for 2019

- Minor projects around the station to help with the normal operations at the station
- Replacement of our 10 year old breathing apparatus
- Investigate Grant funding for non-skid flooring epoxy for engine room
- Replacement of broken concrete pads in front of Engine and Ladder bays

Please consider helping out in any way you can this year, if interested please contact Jim Rapp, at 610-647-0693.

Planning Commission

The Malvern Planning Commission (MPC) is a 'review and recommend' body of seven Borough residents who process Subdivision and Land Use (SALDO) applications, monitor Zoning Ordinances, undertake Planning Initiatives, and provide comments on other Community Planning matters referred to us by Borough Council. The MPC's planning efforts are ably supported by the Assistant Borough Manager, Borough Engineers, and Borough Solicitors.

In the first quarter of 2019 the MPC completed review and recommend cycles for two SALDO applications and sketch plans, primarily in the King Street corridor, including:

- 1) a rezoning and consolidation of three parcels on Channing and

Woodland Avenues for St. Patrick's Parish Church and School expansion, and

- 2) a two-lot subdivision at 155-157 Channing Avenue.

The MPC has also begun to process two new SALDO applications:

- 1) a two-lot subdivision in the R-3A zoning district at 11 Griffith Avenue, and
- 2) a new-design Veterinary Hospital in the R-1 district at 545 South Warren Avenue.

In 2019 we are continuing a long-term Planning Initiative to revise definitions and processes for Zoning Ordinance sections that have been deemed ambiguous or outdated. We have also begun a Planning Initiative with Borough Management for updating the Bor-

ough's basic planning documents: the Comprehensive Plan, the Zoning Ordinances, and the Official Map.

Current MPC members include Lynne Frederick, Dave Knies, Chris Mongeau, Mark Niemiec, Geoff Rubino, Carroll Sinquett III, and Zoe Warner. Neil Lovekin - the Assistant Borough Manager - serves as our MPC Secretary.

The Malvern Planning Commission meets on the first and third Thursdays of each month, 7:30 PM at Borough Hall. All are welcome and encouraged to attend! The status of various SALDO applications and initiatives can be viewed on the Borough website under Boards and Commissions/ Planning Commission/Case Log.

Malvern Historical Commission

The Historical Commission will be having a busy spring and summer. On Sunday, May 5, 2019, you will be able to find us at Malvern Blooms. Stop by our table on King Street with your questions or your favorite stories about times past in Malvern Borough, and browse through our books, postcards, and other items for sale.

We will also be in the 151st Memorial Parade and 203rd Remembrance Ceremony on Sunday, June 2, 2019, along with members

of Malvern's other Commissions and volunteer organizations.

Our Town Tour will be from 4:30 p.m. - 8:00 p.m. on Thursday, August 8, 2019. Find us at Burke Park to be assigned to a group for your walk around town and through Malvern's history. We are still looking for volunteers to assist us with tour groups. If you are interested, please e-mail us a MalvernBoroHistory@malvern.org, or come to one of our meetings. We meet at Borough Hall on the second and fourth

Tuesdays of each month starting at 7:30 p.m.; any cancellations will be announced on the Borough web site, www.malvern.org, and posted on the front door of Borough Hall.

Finally, for the latest news on our events, please check our Facebook page at [Facebook.com/MalvernHC](https://www.facebook.com/MalvernHC) and our brand new Instagram at [@malvernborohistory](https://www.instagram.com/malvernborohistory). We hope you'll like and follow us, too!

151st Annual Malvern Memorial Parade

The Upper Main Line Memorial Association is busy preparing for the 151st Memorial Parade and the 203rd Remembrance Ceremony, both set to take place on Sunday, June 2, 2019. Parade step off is traditionally 1:30pm from the Malvern Fire House on East King Street, and the route goes west to Warren Avenue, south to Monument Avenue, and west to the Paoli Memorial Grounds, where we will pause after the parade to remember our fallen soldiers from all wars and conflicts from the time of the Revolution until the present.

As of press time, the UMLMA was expecting a reprise of many of your favorites from parades past, including multiple

marching bands, a Philadelphia Mummer String Band, various fire and police apparatus from the surrounding municipalities, and many youth and civic groups such as Scouts, the Chester Valley Little League, and the Paoli-Berwyn-Malvern Chapter of the Lions Club. As we honor the military with our parade, we anticipate the participation of multiple entities representing those who have fought for and/or died for our freedom.

All parade watchers along the route are invited to the Paoli Memorial Grounds for the Remembrance Ceremony, which will include Taps and a 21-gun salute. In 2018, for our 150th parade, we debuted a shuttle bus that brought

riders to the Memorial Grounds and returned them along the parade route after the ceremony.

A special note for those at the parade grounds: we will have ribbons for the Malvern Tree of Honor. All attendees may take a ribbon and place it on our Tree to remember someone who defended our freedom or simply deserves our gratitude.

Updates on the 2019 parade may be found on our website, malvernmemorialparade.com and our Facebook page, [facebook.com/MalvernMemorialParade](https://www.facebook.com/MalvernMemorialParade). Inquiries may be addressed to moreinfo@malvernmemorialparade.com.

Malvern Police Department

Summer is right around the corner, which brings many outdoor activities. Malvern Borough enjoys a great walkable community, which brings many people into Malvern. Several things to remember:

- 1) Close and lock windows when leaving your home.
- 2) Close car windows and lock your doors.
- 3) PA State Law states you **MUST** yield to pedestrians in crosswalks. If you are a pedestrian please be sure to make eye contact with the driver to ensure they see you, and are stopping before crossing a road.
- 4) Be aware of children playing, watch for them between cars. If you see a ball cross the road expect a child running after the ball.
- 5) **PARKING:** vehicle must be in the direction of traffic, "parking against the flow of traffic" is a violation. Must be thirty (30) feet from a Stop Sign. Twenty (20) feet from a crosswalk. Fifteen (15) feet from a fire hydrant. Please note area where other restrictions are posted.
- 6) Following these tips will ensure your visit to Malvern is a pleasant experience.

You may notice some new Officers in Malvern. The Malvern Police Department employs Officers who hold a part-time position. We hire the best qualified and professional Officers to fill these positions. Most of these Officers work in other communities, as well, hoping to gain a full-time Police position. These Officers are so highly desired they obtain full time shortly after they are hired here. With each hire it may appear we are growing when, in fact we are replacing Officers who leave. We welcome all our new Officers and always wish the best to the Officers who obtain full-time positions.

The Malvern Police Department along with the Public Safety Committee work very hard evaluating potential safety hazards in Malvern Borough. A few months back the Committee addressed the Sugartown Road, Monument Avenue intersection. Sugartown Road is a PennDOT road. The intersection is located in both Malvern Borough and Willistown Township. In the past PennDOT has been requested to study the intersection either by Willistown Township or by Malvern Borough, leaving the intersection with minimum or no chang-

es. This time, I called the Willistown Police Chief John Narcise. Chief Narcise and I have worked cooperatively on several projects involving our communities. We agreed this intersection needed further study by PennDOT. We jointly drafted a letter requesting PennDOT to do another study of the intersection. We supplied all our accident data and traffic enforcement data. The letter encouraged them to take action, whatever action needed to make the intersection safer. We both signed the letter and sent it off to PennDOT. I believe it was this concerted effort that lead PennDOT to aggressively study the intersection. Few options were discussed, sight distance, shadows on the road and speeds were some. PennDOT informed us the study results warrants for an ALL WAY stop. PennDOT posted new signs on Sugartown Road at Monument Avenue road. Now, everyone needs to be sure to stop before proceeding through the intersection.

Malvern Police are available 24 hours a day every day. If you find yourself in need of Police assistance, please do not hesitate to call 911.

Storm Water Management

Stormwater Management Public Participation

Untreated or uncontrolled storm water runoff is the number one cause of impairment in our local waterways. Polluted runoff is often transported through municipal drainage systems until it eventually discharges into streams, ponds, and rivers untreated.

Malvern Borough is committed to improving water quality through better management of storm water runoff. Every resident can participate in our stormwater program by reducing or preventing pollutant runoff from their own

property and by reporting any non-storm water discharges into the Township's drainage system and local streams.

What can we do to help keep waterways clean?

There are numerous things we can all do on a daily basis to keep pollution out of our waterways. The following are just a few things we can all do to help improve water quality in our streams, rivers and lakes:

- 1) Never dump anything into storm drains, swales or streams.
- 2) Pick up litter from the street

- 3) before it gets into storm drains.
- 4) Use limited amounts of fertilizer.
- 5) If you must use pesticides, search for an environment-friendly brand.
- 6) Recycle motor oil, paint, and other hazardous chemicals. Never dump such materials down the drain or into the storm system.
- 7) Recycle glass, plastic, and aluminum.
- 8) Always pick up your pet's waste or harmful bacteria can get into our water!

The Club of Little Gardens of Malvern

The Club of Little Gardens of Malvern invites you to join them for the following terrific programs at the Malvern Borough Hall:

May 2, 2019 – The Club of Little Gardens of Malvern will

host tea and wear their newly decorated hats. Valerie Burgess from the Uwchlan Garden Club will be their guest to judge and critique their arrangements.

All meetings are held at 11:00 am at Malvern Borough Hall. For more information, please contact the Club of Little Gardens of Malvern at littlegardensmalvern@gmail.com.

Malvern Farmers Market

Help support our local farmers by shopping at the Malvern Farmers Market every week! Starting May 4th the Malvern Farmers Market will be open weekly from 9 AM - 1 PM. We've got amazing LOCAL fruits and veggies, including certified organic, meats and cheese, dairy, baked goods, honey, maple syrup and so much more.

Last year was one of the most challenging years most of our farmers have seen. The relentless rains tested the might of our best farmers. It wasn't easy. Your support was so important. Keeping our LOCAL FARMS in business is essential to insuring a healthy and robust local food system. Our farmers market gives the farmers an opportunity to sell directly to you, the consumer. They get to educate you on why keeping farming alive in Chester Coun-

ty is so very important.

We have some big initiatives this year. We'll be exploring ways to make our market more sustainable, and at the same time helping our shoppers adopt sustainability measures. We're deeply con-

cerned about Pennsylvania's dairy farmers. Over the summer we'll be hosting Dairy Days to educate the public about the plight of the dairy farmers in Pennsylvania and what you can do to help them. Plus,

we're also going to be highlighting the resurgence of growing ancient grains in Chester County and how those grains are being used.

New this year - the market is accredited to accept SNAP, Supplemental Nutrition Access Program. Participants in SNAP can use their EBT card to make purchases at the farmers market. And we didn't stop there! We partnered up with the Chester County Food Bank to double EBT purchases. For every dollar spent at the market using an EBT card, the recipient will receive up to \$10 in Fresh2You bucks to be used on fruits and veggies. Plus, all of our produce growers are accredited to accept FMNP checks (Farmers Market Nutrition Program) from county senior programs and WIC.

Join us every week at the Malvern Farmers Market!

Paoli Battlefield Preservation Fund

Look for a new display at the Battlefield by this coming summer. Bart Van Valkenburgh, one of our talented Board Members, has completed the construction of a replica field cannon used by General "Mad Anthony" Wayne's Pennsylvania Line of the Continental Army. Wayne had 4 cannon, pulled by horses but they were NOT fired at the Battle of Paoli. Fearing their capture by the Redcoats, Wayne had them lead his escaping troops. But one of the cannons did play an important role – and one that led to the death and wounding of many of the Americans. It lost a wheel while going through a narrow gate in a rail fence surrounding the field. This blocked the troops at the worst possible time and slowed the escape of many of the troops. It became the ninth bloodiest battles of the Revolutionary War.

Interested in learning more? Board Meetings are open to the public and are held on the 2nd Wednesday of each month at 6 pm in the Second Floor - Small Conference Room at Malvern Borough Hall. You can also volunteer to help through our website.

CRC Streams Cleanup

THANK YOU!

The Malvern Borough Parks and Recreation Committee hosted the 22nd Annual CRC Streams Cleanup on April 13th. This year the Borough hosted two sites: Randolph Woods Park and Quann Park (First Ave Park). Not only did we add a new site this year, but we also had the **LARG-EST** number of people volunteer with us this year. It was a great day to spend in the woods.

The Borough wants to thank all of the amazing volunteers who coordinated this event as well as those who helped clean up the sites. This event would not be possible without all of the hard work from our volunteers.

About CRC

Chester Ridley Crum Watersheds Association (CRC) is a nonprofit 501(c)(3) organization devoted to the protection of water resources and the natural environment of the Chester, Ridley, and Crum Creek Valleys, and the health, recreational, and quality of life benefits they afford the residents of this region. Our stewardship area encompasses 132 square miles and 40 municipalities, from the South Valley Hills to the Delaware River.

CRC's programs are supported by the contributions of over 550 individual, municipal, business, and institutional/ nonprofit members.

CRC's office is located in Willistown Township's Okehocking Preserve; 5316 West Chester Pike, Newtown Square, PA 19073
