

COVID-19 GREEN PHASE RESIDENT GUIDANCE

Chester County will move into the green phase of Governor Wolf's economic re-opening plan on **June 26, 2020**. Below are some tips for residents to stay healthy as the County moves to the next phase of the Governor's economic re-opening plan.

- Social distance when you can, wear a mask when you can't.
- Continue cleaning surfaces frequently.
- Handwashing is still important.
- Do not touch your face if possible.
- Limit gatherings or attending gatherings of no more than 250 people.
- When using public facilities, wear a mask and make sure you wash your hands before and after.
- Parks will be open, but social distancing restrictions are still in place.
