3. New Business

a. Drive-in Movie

Erin brought up the idea of a Drive-in Movie in the Borough. Maybe work with Fire Company to do a fundraiser. This is something we have touched on in prior years but will continue to keep this topic on agenda for future discussion.

b. Virtual Ideas

i. Car Event

Helise shared the idea of creating an event based in the car, such as BINGO. The committee will keep a list of all potential events and work from that going forward for 2020.

ii. Yoga

Yoga will be held virtually on FACEBOOK LIVE. Jen will lead these events and will be the point of contact. Looking to add a kid's yoga. Jen will reach out to a few teachers in the area. Linda will continue with the adult yoga classes in the mornings on Wednesdays.

iii. Scavenger Hunt

The committee came up with the idea to hold a virtual scavenger hunt. This will be led by Helise and Angela. Will report back once details are worked out. Will hold on FACEBOOK LIVE or ZOOM.

iv. Go WilMa!

Chris informed the committee that Alicia will do the Go WilMa! Clues for 2020. Since the parks are closed, we will only be hosting the

Randolph Woods site this year. Burke Park is not going live this year. The committee wants to promote this more on social media.

v. Malvern Has Heart Project

The committee wanted to take the Kindness Rock idea and make it a fun community project for Malvern. Chris will reach out to Public Works to order river rocks. They will be placed at Randolph Woods for people to take home and paint and then place around Malvern. The idea is to encourage people to share their artwork as well as put positive messages out for our community members. Angela will lead this event.

4. Old Business

a. Little Free Library

Alicia will order a replacement for the Free Little Library that was located in Burke Park. Public Works will install it. Book can be donated at location once installed. Well post on social media regarding the “grand opening” and encourage people to visit.

5. Public Comment

No public comment.
