**Malvern Shade Tree Commission**  
**Agenda for Monthly Meeting, 4/15/19**  
**Present: Linda Burton, Joe Bones, Bobbi Tower**

1. Malvern Borough Ordinance - Plant Materials List Review, removal and additions as recommended by the Planning Commission of Chester County
  - Reviewed existing Plant Materials List, recommendations made to the Malvern Planning Commission in November 2017, and the comments from the Chester County Planning Commission
  - Bobbi will update the species recommendations consistent with the Planning Commission's recommendations
  - Joe will update the caliper requirements
2. King Street Tree Survey
  - Linda will get an update from Chris Bashore
3. Saint Patrick's Street landscape plan
  - The STC is waiting for an updated landscape plan from St. Pat's
4. Black Walnut Tree on Ruthland Ave. - STC questioning recommendation for removal
  - The STC does not recommend removal of the black walnut tree at this time
  - Linda will pass on to Chris the results of the arborist's risk assessment
5. Trees along First Ave —. provide First Baptist Church guidance on properly trimming these trees
  - Joe will write up a brief paragraph
6. 2019 Spring bare root tree planting
  - Details have been sent to the Borough. Ira Dutton's crew will pick up the trees at the Navy Yard on April 26 and deliver them to recipients' front yards
  - Bobbi will send planting details to recipients
  - On April 27, Bobbi and Joe will be available to consult and make site visits with recipients regarding proper planting and maintenance of trees
7. Warren Avenue tree planting
  - Tony Dufour plans on putting in the trees this week
8. New Business
  - Paoli Battlefield Park: the STC will reach out to the Battlefield Group to offer our partnership regarding the trees in the park
