of Birds

BIRD TOWN
PENNSYLVANIA®

Mission

Bird Town Pennsylvania works in partnership with local municipalities and like-minded organizations to promote community-based conservation actions to create a healthier, more sustainable environment for birds, wildlife and people.

Bird Town Pennsylvania has been actively engaging municipalities in the state for more than 12 years with 41 programs across 9 counties.

Owned now by the Pennsylvania Audubon Council and building partnerships with various conservation groups, including WeConservePA, Audubon Chapters, and the Bird City Network.

Engages – Educates – Encourages - Supports

- holding native plant pop-up gardens, sales and swaps
- installing demonstration native plant, pollinator and rain gardens
- developing proclamations, resolutions and ordinances to address invasives, native plants, pesticides, clean water, etc. to support healthier ecosystems
- supporting and running community science programs
- educating about invasive plants and running workshops for their removal
- reducing bird window strikes and pesticide use
- planting trees and shrubs to create green corridors and reduce runoff and build up riparian buffer zones
- working with schools to engage and educate about these issues
- educating about storm water management with rain barrel workshops and giveaways

Bird Town Pennsylvania provides for Malvern Borough:

- a state-wide structured program with congruous goals.
- concrete resources and achievable actions.
- a framework for community networking with other Bird Towns and Conservation Partners that includes avenues of communication, events, volunteer opportunities, community science projects and more.
- training and workshops for your Bird Town leaders and
- more opportunities and success in obtaining funding.

Our website:
birdtownpa.org

CONNECT WITH BIRD TOWN PENNSYLVANIA

There are several ways for Bird Town leaders to stay connected with each other and Bird Town Pennsylvania through social media and on-line resources.

Bird Town Flyer:

The Bird Town Flyer is the bimonthly digital newsletter of Bird Town Pennsylvania. The “publication” schedule is the 15th of January, March, May, July, September, and November. It is distributed to the Bird Town leaders in our database and intended to provide Bird Town updates, promote upcoming workshops, and spotlight or profile an outstanding Bird Town event or project that has taken place. We encourage the submission of contact information of the leaders in their respective Bird Towns. This could include members of their

A small brown bird is perched on a thin, light-colored branch. The bird has a reddish-brown body and a dark beak. It is looking upwards and to the left. The background is filled with numerous pink cherry blossoms in various stages of bloom, creating a soft, bokeh effect. The overall scene is bright and cheerful.
